

Postbacks

- [Overview](#)

Overview

Management

This will allow easy access to manage all postbacks in the system in one place, especially useful for the master company access.

Postbacks

Management

Postbacks

- This is only showing the Management page. Logs page is still found individually in the affiliate accounts.
- If you do not see this section, please contact your affiliate manager to enable it for you. After you will see the screen as below:

Postbacks

Manage postbacks of your company
