

1.120.0 Release Notes

Release date: 2026-03-18

New Functionality

Language Option

As ReferOn expands globally, we have now added the option for admin and affiliate interfaces to be shown in other languages, starting with Brazilian Portuguese. Other languages will be coming later.

To adjust the language, click on your Profile to the bottom left, go to Languages and select the language you want. The Interface will then immediately update.

Below is an example of how the interface will change:

New Payment Flow Updates

The following updates are for the clients that use the new payment flow.

Tax for payments

It is now possible to add Tax value to your payments so the value plus tax will equal the invoice. After it is added, a new Tax column is then found in the Payments area.

COMPANY	AMOUNT	TAX
 Very good Company ID: 601435	€100.00	—
 Test322 ID: 535945	€188.00	€97.00
 Test322 ID: 535945	€145.73	€51.00
 Test322 ID: 535945	€178.20	€50.00

Search by Invoice

To help find invoicing in the system by naming convention, the soft search field can now also be used to find Invoice names as well.

Payments

Create, track and manage all payments.
